

# iotschema patterns

Design Patterns for [iot.schema.aorg](https://iot.schema.aorg)

# Goal

- Define a strawman common design pattern for [iot.schema.org](http://iot.schema.org)
- Create some example definitions using this pattern
- Create example instances using the definitions

# Constraints

- Compatible with W3C Thing Description
- Reuse concepts from [schema.org](http://schema.org)
- Reuse design pattern from [schema.org](http://schema.org)
- Reuse definitions from [schema.org](http://schema.org)

# iotschema Common Pattern
